Malmons Sponsorships - Limited Edition Customized Malmons

Limited to 5 custom Malmons and starting with a Malmons/attack surface that is relevant to your organization's mission and we illustrate it with features unique to you!

Seize this opportunity to become a part of the Malmons World by sponsoring a custom Malmons!

Pricing - Malmons customization

With a discounted pricing on the art that started it all, we encourage sponsors to add this to their sponsorship package

- 4000\$ for a Bronze Sponsor
- 3500\$ for a Silver Sponsor
- 2500\$ for a Gold Sponsor
- 1000\$ for a Platinum Sponsor

Includes:

- Customized Malmons, usable for the year/during the sponsorship agreement
 - Starting from an attack vector/Malmons relevant to the sponsor
 - Custom color scheme and Malmons design
- Includes a dedicated social media post, backstory and lore creation, and public presentation at Defcon and virtually
- All public postings will feature art
- Name of the Malmons on the illustration with sponsor recognition
- Speech thanking the sponsor and highlighting the custom Malmons at the closing talk

Example:

- Customized Lockbit Malmons for BSides Dublin 2025
- LockBit is holding specially designed items in "ransom", notably a clover-leaf key
- Colored in greenish tones matching the conference color scheme
- LockBit wears a hat matching the scheme of the conference.
- In a Cauldron like a leprechaun's

Example 2: GhostRAT

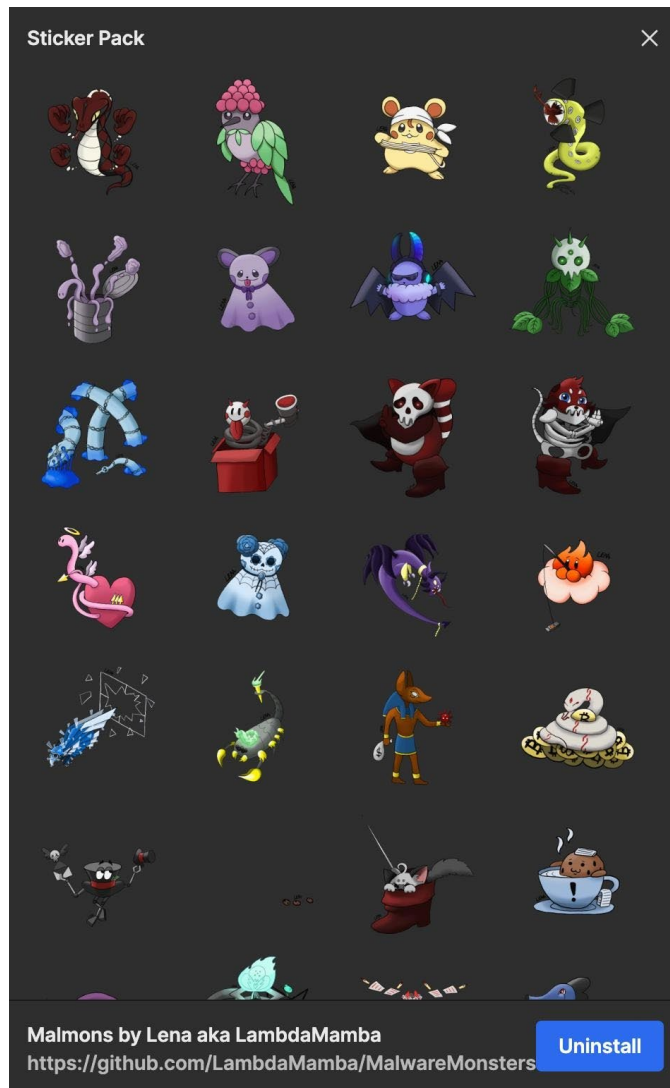

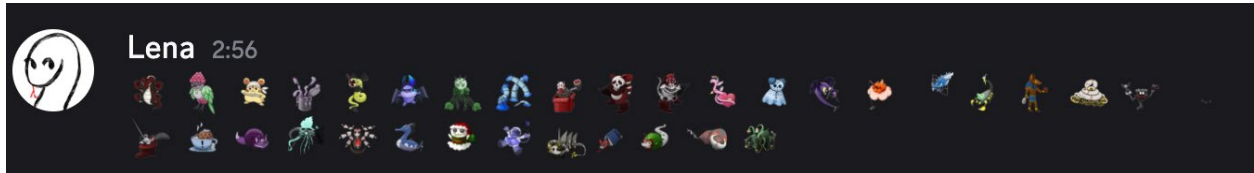

GhostRAT is an Original Series Malmons and can be customized in ways including but not limited to, characteristics, lore, events and activities, interactions etc.

*ALL DESIGNS ARE PLACEHOLDER AND SUBJECT TO CHANGE UNTIL
CONFIRMED BY PRINTER ORDER AND FINALIZED SPONSORSHIP CONTRACT.*

Front - Sticker Sheet

Back - Sticker Sheet

Back side of sticker sheet presents sponsors - it is not a sticker.

2025 Sponsorships - Apparel

In production for Defcon 33, we are sporting the following goods at the conference:

- Malware Village Special Edition Staff shirt
- Malware Village Special Edition Bandana

T-Shirt - Front

T-Shirt - Back

PLATINUM SPONSOR

GOLD SPONSOR

SILVER SPONSOR

BRONZE SPONSOR

OxBst RPT, a notorious Remote Access Trojan identified in 2005, targets Windows systems for spying, data theft, and surveillance.

It allows attackers full control of infected machines, capturing keystrokes, files, and activating cameras and microphones discreetly.

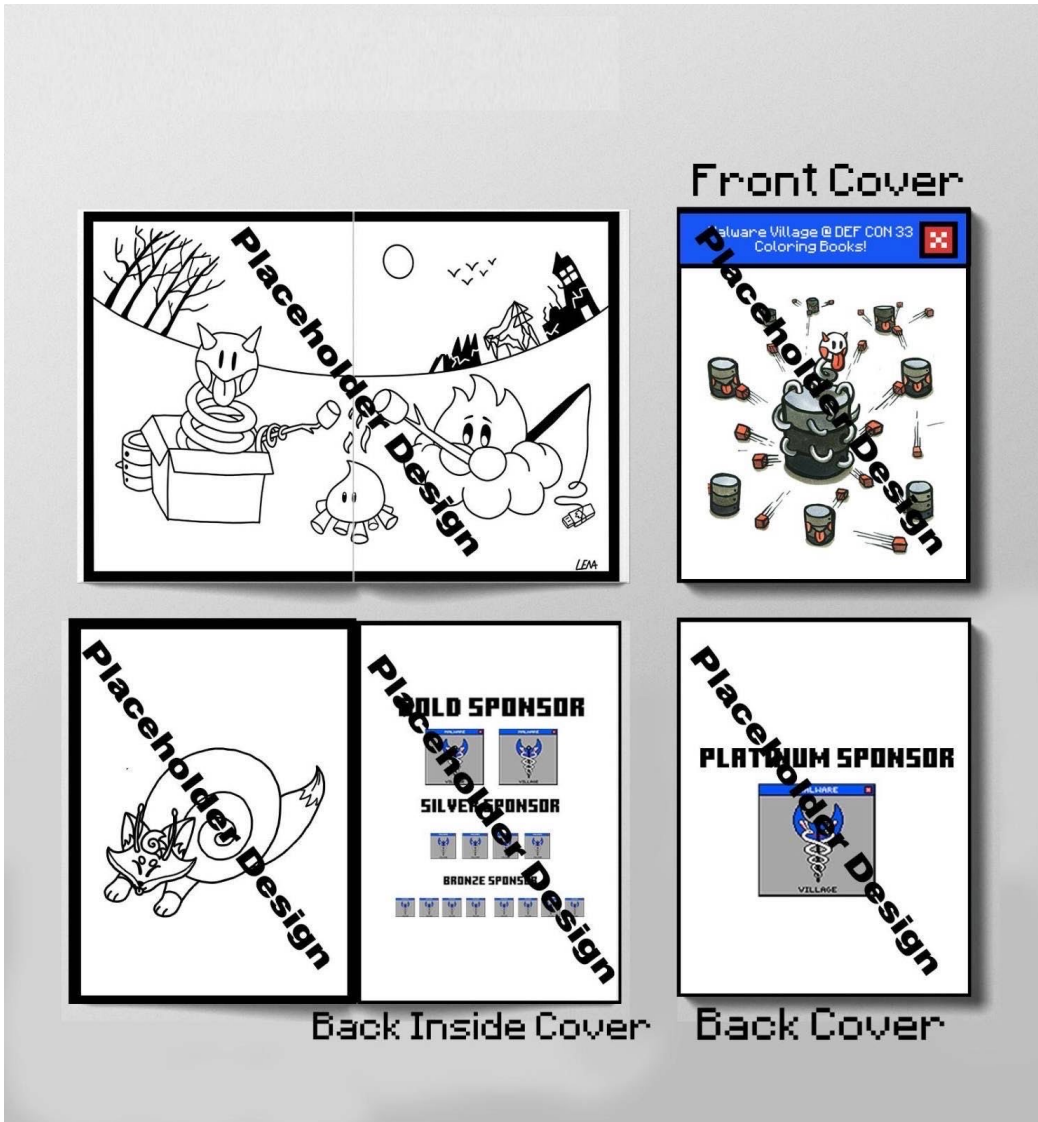

Used by cybercriminals and state-sponsored hackers, OxBst RPT is a significant threat in cyber security.

Malware Village Coloring Book

Made in 1-2 editions per year, we can place sponsor content in the drawings and custom Malmons as well!

Front Cover

Back Inside Cover

Back Cover

Malware Village and Malmons, aka Malware Monsters

Malmons are the creation of Lena Yu (LambdaMamba); she animates and draws them completely by hand!
